

How to Make a Simple 32-Page Dummy Book

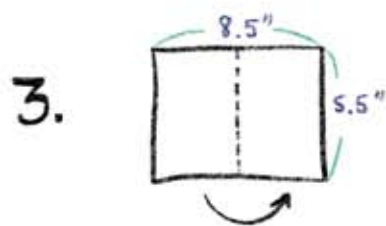

More free downloads on JeniChen.com

Take 4 sheets of 8.5 by 11 inches letter size printer paper.

Fold the sheets in half and cut along the folded line.
Now I have 8 sheets of 8.5 by 5.5 inches papers.

Take these 8 sheets of 8.5 by 5.5 inches papers and fold them in half.

Staple these 8 sheets of papers along the folded lines
You can sew them if you are feeling fancy or if your stapler is too small.
